## Design Projects

### Sosh | 2015 Dec. - 2016 Apr.

#### Creator/Designer

I designed an iOS app from scratch inspired by my day-to-day frustrations with my university. I created a case study, low resolution wireframes, & app views.

### Mezz Pad | 2016 May - Present

#### Creator/Designer

I designed a satirical news content site for millennials inspired by favorite shows, *Portlandia* and *Last Week Tonight with John Oliver*. I created a case study, wireframes and screen views for both web and mobile.

## Education

### California State University, Long Beach

Letter of recognition received for maintaining at least a 3.5 GPA throughout the school year.

## Work Experience

### Sweet Equations | May 2016 - Present

#### Graphic Design & Marketing Intern

I created user engagement strategies to develop the social media presence of the brand-new bakery, Sweet Equations, on Instagram, Twitter, and Facebook.

### Macy's | 2015 Jul. - Present

#### Sales Associate

I'm part of the recovery team. If there's any clothes to hang, shelves to stock, or customers to help, I'm the girl who does it all with a smile.

### Discovery Cube O.C. | 2013 May - 2014 Dec.

#### Volunteer

Everything I did here was to help educate and encourage children of all ages that science is awesome. I conducted experiments, taught lessons, and sparked creativity.
